

About ISO

Jyothy Institute of Commerce and Management (JICM) is committed to delivering quality education through a structured and learner-centric management system. The institution is certified under ISO 21001:2025, an internationally recognized standard for Educational Organizations Management Systems (EOMS). This certification reflects the institution's commitment to academic excellence, stakeholder satisfaction, continuous improvement, and effective governance in higher education.

Quality Policy

Jyothy Institute of Commerce and Management is committed to providing quality education through learner-centric practices, effective governance, continuous improvement, innovation, stakeholder engagement, and adherence to statutory and regulatory requirements. The institution strives to create an environment that promotes academic excellence, ethical values, and holistic development of students.

Quality Objectives

- To provide quality education aligned with global standards.
- To promote learner-centric teaching and learning practices.
- To strengthen governance, accountability, and transparency.
- To integrate technology and digital transformation in education.
- To enhance stakeholder satisfaction and engagement.
- To support continuous improvement through systematic quality management.
- To align institutional practices with national and international quality frameworks.
