An ISO 21001:2025 Certified Institution

## JICM Campus Life

A well-planned college infrastructure plays a pivotal role in enhancing the educational experience by providing an environment that is conducive to learning, innovation, research, and personal growth.

Jyothy Institute of Commerce and Management (JICM) possesses adequate and state-of-the-art physical infrastructure facilities that enable an effective teaching-learning process for both faculty and students. The institution continuously upgrades its infrastructure in line with emerging educational trends and technological advancements to meet contemporary academic requirements while adhering to the norms and guidelines prescribed by regulatory bodies such as the University Grants Commission (UGC), Government of Karnataka, and Bangalore University.

Jyothy Institute of Commerce and Management is affiliated with Bangalore University and approved by the Government of Karnataka.

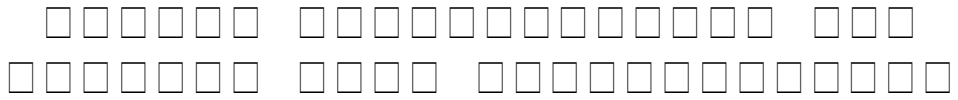

## **Campus Profile**

<b>Campus</b>	<b>Address</b>	<b>Campus Area</b>	<b>Built-up Area</b>
JICM	# 40/5, Off Kanakapura Main Road, Thataguni, Bengaluru – 560082	7 Acres	6,500 sq. ft.

## **Green Campus Environment**

From an aerial perspective, the college campus unfolds like a lush oasis nestled within a sea of greenery. The sprawling landscape presents a captivating blend of academic infrastructure and natural beauty. Manicured lawns, leafy trees, flowering plants, medicinal herbs, and landscaped gardens create a serene and eco-friendly atmosphere that promotes learning and well-being.

The campus is enriched with a variety of trees including mango, coconut, guava, jackfruit, and several native species, offering students a refreshing environment away from the congestion of urban life. The abundant greenery not only enhances the aesthetic appeal of the campus but also contributes to environmental sustainability and creates a peaceful setting for academic pursuits.

## Learning Outcomes

The Computer Laboratories provide students with hands-on exposure to modern computing technologies and software tools. The facilities support the development of technical skills, analytical thinking, problem-solving abilities, and industry-oriented competencies, thereby enhancing employability and academic excellence.

## Conclusion

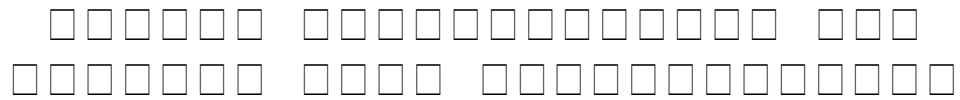

The institution continuously strives to maintain and upgrade its computing infrastructure to meet the evolving academic and technological requirements of students and faculty. The Computer Laboratories play a vital role in supporting quality education and fostering a technology-driven learning environment.

## Parking Facilities

Jyothy Institute of Commerce and Management provides well-organized parking facilities for students, faculty, and staff within the campus. The designated parking areas accommodate two-wheelers and four-wheelers, ensuring safety, convenience, and efficient utilization of space.

The parking facility is designed to support smooth campus operations by enabling easy access to academic buildings and other amenities. Properly managed parking arrangements contribute to an orderly campus environment, enhance accessibility, and ensure a hassle-free experience for students and visitors.
